NPSN STATISTICS 2024

Thanks to all of our volunteer retirees, we have done very well in providing numerous services to our First Responder community. Here are the numbers:

LAW ENFORCEMENT	(SWAT STANDBY)	1
FIRE TRAININGS	(ACADEMIES)	8
EVENT SUPPORT	(FIRE, EMS, VETERAN, L.E. RELATED)	14
FIRE RESPONSES	(Includes 3 long term Wildland Fires)	16

TOTAL RUNS 39

 **TOTAL HOURS PROVIDED BY NPSN TO FIRST RESPONDERS: 238**

GOALS 2025

1. Recruit at least 5 more retired L.E., Fire, EMS, or Veteran members
2. Conduct training with L.E. Swat and REMSA TEMS units
3. Seek additional funding and assistance from our local agencies
4. Seek a larger truck quarters at a central County location
5. Provide Peer Support training / certification for more Incident Support members
6. Create an "On Call" schedule

We are scheduled to be taking possession of the 2nd ambulance from Reno Fire in Q1, then convert into a rehab unit by early February.

 *2025 will probably be busier for us as the local Fire Departments are considering placing us on their "Working Fire Notification" lists...*
